## 9-, 12- and 13-Piece Precision Plier and Screwdriver Sets

**LIFETIME GUARANTEE**

Perform precision jobs with durable stainless steel tools

Precision size pliers allow user maximum control in tight areas. Small tipped slotted and Phillips screwdrivers are most beneficial when used on delicate and miniature sized screws.

- Stainless steel construction
- Corrosion free and easy to clean
- Great for precision and electronics work
- Precision screwdrivers have large fingertip swivel head for delicate jobs
- Sets include durable genuine black leather zippered storage and carrying case that protects tools when not in use

### 4PM19 9-Piece Set Includes:
