

## 3-Piece Aviation Snip Set

Perform difficult cuts with ease

Easy-to-use snips for making straight, left or right cuts through sheet metal up to 18-gauge thickness

- Compound action design
- Handles are color coded for cutting style  
Green = right    Yellow = straight    Red = left

- Jaws are polished steel finished for superior strength & durability
- Locking latch mechanism joins jaws tightly and prevents damage to cutting edge during storage or transportation

Item No.	Description
<b>4PM06</b>	3-Pc. Aviation Snip Set

## Multi-Purpose Snips

Cut paper to sheet metal to linoleum

- Heat-treated one-piece drop-forged construction
- Cushion vinyl coated handle with smooth bows for ease of use and safety
- Cutting length: 1-1/4"; Overall length: 9-3/4"

Item No.	Description
<b>5MX59</b>	Straight Cut Snip (Yellow)
<b>1UG17</b>	Right Cut Snip (Green)
<b>1UG18</b>	Left Cut Snip (Red)

## Aviation Offset Snips

Serrated edges for efficient fast cuts

- Left and right cut
- Offset blades keep hands away from cutting surface
- Comfort-grip PVC handles
- Drop-forged and hardened alloy steel blades

Item No.	Description
<b>4YP54</b>	2-Pc. Aviation Offset Snip Set
<b>1UG15</b>	Left Cut Offset Snip
<b>1UG16</b>	Right Cut Offset Snip

## Tinner's Snips

Make long cuts with non-slip serrated jaws

Cut a variety of materials from paper to sheet metal to linoleum

- Straight cuts
- One-piece drop-forged construction, heat-treated for long life
- Cushion vinyl coated handle with smooth comfortable bows for ease of use and safety
- Meets ANSI specifications

Item No.	Description
<b>4YP52</b>	12" Straight Cut Tinner's Snip
<b>4YP53</b>	2-Pc. Tin Snip Set (7" & 10")

## Multi-Purpose Long Cut Snips

Cut through sheet metal

- Compound action design
- Superior strength and durable polished steel finished jaws
- Straight cuts
- Locking latch mechanism joins jaws tightly, lessening damage to cutting edge during storage or transportation
- Cutting length: 3"; Overall length: 13.4"

Item No.	Description
<b>5MW41</b>	Long-Cut Aviation Tin Snips—Straight

### 2-Piece High Tension Hacksaw and Mini-Frame Set w/Blades

Long lasting quality design

- Blade stays in position securely for very accurate cuts for strength
- Lightweight die-cast handle and steel frame for strength
- Mini-frame saw is perfect for tight spaces and lighter cuts
- Standard 12" & 10" blades included and can be stored in frame

Item No.	Description
4YR51	2-Pc. High Tension Hacksaw and Mini-Frame Set w/Blades

### Heavy- and Light-Duty Poultry Shears

Long lasting edge for repetitive use

Ergonomically designed handles and simple swing-lock designed for both left/right hand use. Blade tension can be modified for better performance.

- Tough SUS420J2 stainless steel, precision ground and sharpened for long-lasting edge.
- Extension tang for added leverage

Item No.	Description
4YP39	Heavy-Duty Poultry Shear (3-1/2" Cut, 9" Overall Length)
4YP40	Light-Duty Poultry Shear (3-1/8" Cut, 8" Overall Length)

### Multi-Purpose Shear

Ergonomically designed handles for either left or right handed users

Made of tough SUS420J2 stainless steel, precision ground and sharpened for long-lasting edge. Blade tension can be modified.

- Extension tang for added leverage
- Simple swing-lock included

Item No.	Description
4YP37	Multi-Purpose Shear (1-5/8" Cut, 7-1/2" Overall Length)

### Wallboard Saw

Ergonomically designed handle for comfort

- 6-1/4" blade for the strength to cut through wallboard, drywall and gypsum board
- Heat-treated blade for strength

Item No.	Description
5MZ17	Wallboard Saw with 6-1/4" Blade, (11" Overall Length)

### Wire Shear

Efficiently cut wire, insulation and harness ties

Ergonomically designed handles create ease for right/left hand usage.

- Made of SUS420J2 stainless steel, precision ground and sharpened for long-lasting edge
- Modify blade tension with adjustable pivot point

Item No.	Description
4YP41	Wire Shear (2-1/2" Cut, 8" Overall Length)

### 6" End Nipper

Cut flush to your work

Wide head and throat clearance with high leverage for nail and wire cutting.

Item No.	Description
5MZ05	6" End Nipper

BLADES

## Heavy-Duty Retractable Utility Knives with Replacement Blades

Great for cutting drywall, string, tape, wall coverings and most soft materials. Fully retractable blade controls depth of cut. Thumb glide adjusts and locks blade at desired position.

- Blade material SK5 high carbon steel
- Oversized hang hole fits on most work belts
- Store replacement blades in handle
- Utility knives include 3 blades

Item No.	Description
4YR09	Heavy-Duty Retractable Utility Knife w/3 Blades
5MW90	Retractable Utility Knife/Orange w/3 Blades
5LD64	100 Pk. Utility Blades, 2-1/4"L, .025" Thick

## 10-Pack Snap-off Wide Blade Utility Knife

Convenient for light-duty cutting and trimming

- Knives are made of lightweight, durable plastic
- Fits comfortably in user's hand
- Lock feature on slide mechanism prevents blade movement
- Includes (10) 7-segment steel blades

Item No.	Description
1CNZ1	Snap-off Wide Blade Utility Knives, Pk. 10

## 10-Pack Snap-off Blade Utility Knife

Economical for your trimming and cutting needs

- Knives are made of lightweight, durable plastic
- Fits comfortably in user's hand
- Value 10-pack packaging
- Lock feature prevents blade movement
- Includes (10) knives with 14-segment steel blades

Item No.	Description
1CNZ2	Snap-off Blade Utility Knives, Pk. 10

## Bolt Cutters

Tough cutting jobs require these handy cutters to make clean and easy cuts to virtually any bolt

These bolt cutters make a perfect addition to any tool set. Long handles provide greater leverage.

- Hardened and tempered chrome steel jaws for optimum strength and durability
- Compound cutting action for increased cutting power
- Adjusting screw realigns cutting edges when needed for correct cutting action
- Non-slip rubber grip handles provide user comfort
- Cuts soft to medium hard materials:
  - 14" cutter cuts up to 1/4" rod
  - 18" cutter cuts up to 5/16" rod
  - 24" cutter cuts up to 3/8" rod

Item No.	Description
4YP60	14" Steel Handle Bolt Cutter
4YP71	18" Steel Handle Bolt Cutter
4YP82	24" Steel Handle Bolt Cutter
4PL93	2-Pc. Steel Handle Bolt Cutter Set (14", 18")

## 8" Mini Bolt Cutter

Non-slip rubber grips for comfort

- Hardened and tempered steel jaws
- Compound cutting action for increased power
- Adjusting screw realigns cutting edges
- Maximum cut: up to 1/8" rod

Item No.	Description
4YP49	8" Mini Bolt Cutter

## Cable Cutters

Reduce strain with high leverage joint

High frequency heat-treated S55C steel blades to give better cutting performance.

- Clean cuts prevent deformity
- Mini-cable cutter has stripping function
- Maximum Cuts:
  - 7" – 1/2" Cable
  - 9" – 5/8" Cable

Item No.	Description
4YR13	2-Pc. Cable Cutter Set (7", 9")

## Quick Acting Tubing Cutter

Adjusts quickly into position

- Lightweight aluminum alloy die-cast body
- Use on copper, brass, aluminum and thin-wall stainless steel tubing
- Hardened steel cutting wheel
- Includes a built-in retractable deburring tool
- Grooved rollers for close-to-flare cuts
- Capacity: 1/8"–1-1/4" tubing
- Spare cutting wheel included

Item No.	Description
<b>4YR06</b>	Quick Acting Tubing Cutter
<b>5MZ33</b>	10 Replacement Wheels - Pack of 10 for 4YR06
<b>5MZ32</b>	10 Replacement Wheels- Pack of 10 for 4YR04

## 3-Piece Tubing Cutter Set

Just the right cutter set for a broad range of tubing sizes

- Two mini-cutters for use in tight spaces
- Telescoping, enclosed feed, screw cutter is made of lightweight die-cast aluminum
- Use on copper, brass, aluminum and thin-wall stainless steel tubing
- Capacity:
  - Minis: 1/8"–5/8"; 3/8"–1-1/8"
  - Telescoping: 1/4"–1-1/4"
- Two spare cutting wheels included

Item No.	Description
<b>4YR03</b>	3-Piece Tubing Cutter Set

## 2" Iron Pipe Cutter

Provides fast, clean cuts

Cuts copper, brass, aluminum tubing, thin wall conduit, steel, and iron pipe.

- Heavy-duty forged body
- Extra long screw adjusts quickly
- Two-wheel design is fast and effective
- Capacity: 1/8" – 2" pipe

Item No.	Description
<b>4YR88</b>	2" Iron Pipe Cutter
<b>5MZ34</b>	Pipe Cutter Wheel Replacement

## Plastic Pipe (PVC) Cutter

Quick, safe and new ergo-design

New cutter features a strong, die-cast body made from #384 aluminum alloy for long life. Precision cutting blades are manufactured from hardened #AUS-8 stainless steel that are specifically designed to slice through plastic pipe.

- Smooth cutting action with minimal effort
- Fully enclosed working parts for safe use
- Provides clean, square cut up to 1" pipe
- Replaceable blade included
- Replacement blades available through your Grainger branch (Part No. 777-03)
- 1/4" to 1-3/8" capacity

Item No.	Description
<b>4YT18</b>	Plastic Pipe (PVC) Cutter

## Hydraulic Pipe Bender

Designed for mild steel bending

For standard hydraulic and gas pipes from 1/2" to 3", with the help of 8 attachments (included). Heavy steel, welded construction. Uses a hydraulic ram as the power unit, developing 15 tons of thrust at max. pressure of 10,000 psi.

- Hydraulic hose maximum pressure: 10,000 psi
- Ram lifting: 9-7/8"
- Size: 30-3/8"L x 28-1/2"W x 39-3/8"H

### Size of shoe

- #15 - 1/2", max. bend radius 62°
- #16 - 3/4", max. bend radius 75°
- #17 - 1", max. bend radius 85°
- #18 - 1-1/4", max. bend radius 99°
- #19 - 1-1/2", max. bend radius 80°
- #20 - 2", max. bend radius 80°
- #21 - 2-1/2", max. bend radius 97°
- #22 - 3", max. bend radius 91°

Item No.	Cylinder Capacity	Ram Lifting	Max. psi
1VW36	15-Ton	9-7/8"	10,000

## Pipe Threader Kit with 4 Replaceable Dies

Professional quality for general pipe threading

Die heads easily snap in and out of ratchet handle

- Durable threading dies made of cutting tool steel
- Use with standard iron pipe
- Sturdy blow-mold case included

### Set Includes:

Ratchet head with handle, 4 sets of dies: 1/2, 3/4, 1, 1-1/4" NPT, and blow-molded case

Item No.	Description
4YR89	Pipe Threader Kit With 4 Dies
6XZ85	1/2" Replacement Die
6XZ86	3/4" Replacement Die
6XZ87	1" Replacement Die
6XZ88	1-1/4" Replacement Die
